Erratum

AJNR Am J Neuroradiol published online 3 December 2009
<http://www.ajnr.org/content/early/2009/12/03/ajnr.A1968.citation>

This information is current as
of August 14, 2025.

Erratum

The article entitled “The Rare Third Branchial Cleft Cyst” (*AJNR Am J Neuroradiol* 2009;30:1804–06) mistakenly stated that the third arch gives rise to the superior laryngeal constrictor muscles and the infe-

rior aspect of the thyroid gland. The article should have correctly stated that the third arch gives rise to the inferior parathyroid glands and the stylopharyngeus muscle, not the aforementioned structures.
